ACADEMIC PROJECTS

Web Developer	▪ **Zip code-based Weather Mapping** (Jan 23– Ongoing) - Description: Information on the weather provided using the local zip code with Data Visualization. Effective because it only displays the weather for the desired location, not the entire city or town. - Technology: Angular, CSS, Bootstrap, Python, MySQL, Git, GitHub, etc. - Individual Project
MERN Stack Developer	▪ **Book-A-Pedia** (Mar 23 – Ongoing) - Description: A book E-Library that uses Google Books API and direct PDF integration to give a one-stop platform for books of all types and genres and to promote reading among youngsters through an interactive user interface. - Technology: ReactJS, MongoDB, NodeJS, JSX, Bootstrap, Tailwind CSS, Git, GitHub, etc. - Team Project - Link: https://github.com/Book-A-Pedia/Book-a-pedia
MERN Stack Developer	▪ **AI-IG (A.I. Image Generator) Web App** (Apr 23) - Description: Simply enter your imagination, and AI-IG will create a corresponding image for you. Fully deployed backend and frontend on 'Render' and 'Vercel' respectively. - Technology: MERN stack, Tailwind CSS, DOTENV, Cloudinary, etc. - Individual Project - Link: https://ai-ig.vercel.app/

WORK EXPERIENCE

Google Cloud Ready Facilitator	▪ **Facilitator** (Apr 22 – Jul 22) - Facilitator in Google Cloud Ready Facilitator 2022
MS Azure, Externship	▪ **Microsoft Azure Fundamentals Externship** (June 22 – Jul 22) - Cleared the Microsoft Azure AZ-900 Certification.

EXTRA-CURRICULARS AND ACHIEVEMENTS

Achievements	▪ One of my projects: **College Pick** (A private University Finder) won "One of the Top 25 submissions" award in DevFest 2.0 (national level hackathon) organized by BITS Goa. ▪ Receiving scholarship from Collector Office, Kolhapur from last 5 years for the excellence in my academics.
Responsibilities	▪ **Design Lead & Core Organizer** (Jan 23 – Feb 23): Marathi Club of VIT-Bhopal University
Extracurricular	▪ District and Division Level Softball/Baseball Player (certified)

ADDITIONAL INFORMATION

Hobbies	▪ Creating coding videos (with 10K+ views on almost every video) on Instagram and YouTube mainly using Python. ▪ Practicing and watching professional Cricket.
Languages	▪ English, Hindi, Marathi
